

Data Sheet Floor Marking Printed

Product description

Application

Markers for identification on the floor. These markings are available in various shapes, all based on the 90 mm dot. All markers have a hard and durable top layer. Due to the smooth surface hardly any pollution will accumulate. Typical use is location identification on the floor level.

Dimensions

Default shapes and possible combinations of character height and barcode height:

Shape	Max. Dimensions	Character height coding only	With barcode	With barcode
Corner left	190 x 190 mm	25, 35, 45, 60 mm	LH 35, BH 35 mm	LH 20, BH 45 mm

Specifications

Adhesive layer

Adhesive: Rubber
Liner: Glassine paper

Thickness: 0,28 mm
Adhesive power on steel: 21 N / 25 mm

Carrier

Material: Hard PVC
Thickness: 0,21 mm

Top layer

Material: Hard PVC
Thickness: 0,50 mm

Weight

Composite weight: 1350 g/m²
